Carson, January 15, 1870.

TAKE WARNING!

THE V. & T. R. CO. ARE ANXIOUS TO

take due precaution against accidents and

loss of life resulting from the running of their

trains; and they take this method of warning

parents and guardians against the dangers attending

the too common practice of children playing about

their cars and locomotives. Those having in charge

the business of the Company find it impossible

to PERSEVERE boys, who frequent the termini and stop-

ping places of the road from climbing upon the

cars and engines; and they will feel themselves

obliged to resort to more decided measures if these

annoyances are continued. Recent accidents,

which are wholly ascribable to the carelessness of

persons in jumping on and off the cars when in

motion, should be warning enough in themselves.
